

Squirrel Hill Urban Coalition
Annual Meeting for the Community
October 20, 2020
6:30 PM ZOOM

2 min 1. Welcome – Mardi Isler, President

Thank you for joining us virtually! Because we are on ZOOM any questions you have for any of our speakers should be sent to mcohen@shuc.org, we will be responsible for getting answers and will get back to those of you who have registered. We also have resource materials provided by our speakers and that information will be sent as well. We will also be true to our time allotment, knowing how difficult a long ZOOM call can be?

Our first four speakers were asked to provide a brief update on Covid19 from their area of expertise, with an emphasis on Squirrel Hill – County Health Department, PNC schools and Child Care, the City for the economy and the County for Health. We appreciate their willingness to participate.

We hope you find the topics interesting, I will keep the session moving by calling on speakers.

7-8 min 2. Health –County Health Department, Dr Kristen Wertz

7-8 min 3. Business, the Economy- Gus Faucher, PNC’s Chief Economist

7-8 min 4. Schools - James Fogerty, A +Schools
